

Introduced by Senator La Malfa

February 24, 2012

An act to amend Section 11142 of the Penal Code, relating to criminal history information.

LEGISLATIVE COUNSEL'S DIGEST

SB 1361, as introduced, La Malfa. State summary criminal history information.

Existing law requires the Department of Justice to maintain the state summary criminal history information of any person, and limits the dissemination of that information to persons authorized by law to receive the record or information obtained from the record. Existing law makes it a misdemeanor for a person authorized to receive the state criminal history information to furnish the information to an unauthorized person.

This bill would make a technical, nonsubstantive change to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
